

Business Management

Entrepreneurship, Innovation, Leadership, Savvy....Success!

Achieve your goals fast and efficiently! In only eighteen months, you can earn your associates degree with our NEW term schedule!

Why Business Management?

The Business Management associate degree program teaches students fundamental concepts and skills in business. Students will become proficient in business management skills such as financial accounting, organizational sustainability, entrepreneurship, marketing and project management.

Become a leader and learn to build strategic foundations that drive innovation!

Why is the program beneficial to me?

The Business Management program enables you to immediately join the workforce in an entry-level position and/or earn a bachelor degree at many of the area's colleges and universities. Many of P.I.T.'s Business Administration graduates who have entered the workforce immediately after graduation have found positions in:

- Accounting
- Advertising
- Finance
- Human Resources
- Management
- Marketing
- Sales
- Starting their Own Business

Where can I go after P.I.T.?

In addition to being prepared for immediate employment, P.I.T. has transfer agreements with a number of colleges and universities in the area. These agreements enable you to transfer your college credits earned at P.I.T. and complete a bachelor degree at one of these educational partners, or at any accredited college or university. P.I.T. will prepare you for the next step that's right for YOU!

Why choose P.I.T. for your Business Management degree?

1. Experienced Instructors

Our instructors either come from a real world background or still hold positions in the health care field. They share their working knowledge to better prepare our students to enter the workplace.

2. Intimate learning environment and family atmosphere

Our instructors know each student on a first name basis. Smaller class sizes allow us to focus on each student's individual strengths and areas in need of improvement.

3. Learn at your own pace! – E-Learning at P.I.T

A number of courses are blended learning, enabling students to spend less time in class and more time learning. You meet once a week with the instructor and the rest of the time interacting with your instructor over the Internet.

4. Free tutoring

Scheduled tutoring from both instructors and honor students is available to ALL P.I.T. students, free of charge!

5. Portfolio Building and Interview Coaching

The value of a P.I.T. education extends beyond the classroom! Our instructors work hard to prepare graduates through portfolio building and interview coaching.
