Keeping your options open for the future!

Achieve your goals fast and efficiently. In only eighteen months, you can earn your associates degree with our NEW term schedule!

What is General Studies?

General Studies is an interdisciplinary degree that enables students to explore courses and programs without the obligation to fulfill the requirements of a major in a specific academic discipline. The flexibility of the degree provides students with a rich educational experience across a broad range of academic disciplines. The program allows students to design their program of study based upon their interests and career plans.

Tailor your degree to your interests!

Why is the program beneficial to me?

Graduates in General Studies are employed in a variety of fields. The earning of the General Studies degree signifies to employers that you are a highly capable, well-rounded individual who can successfully accomplish complex tasks and communicate extremely well with others. Employers seek individuals with strong oral and written communications skills, mathematics, and critical thinking and computer skills.

Many employers seek individuals with specific skill sets instead of a degree in a particular field. The ability to work effectively in a team as well as independently is important to employers. Further

Where can I go after P.I.T.?

In addition to being prepared for immediate employment, P.I.T. has transfer agreements with a number of colleges and universities in the area. These agreements enable you to transfer your college credits earned at P.I.T. and complete a bachelor degree at one of these educational partners, or at any accredited college or university. P.I.T. will prepare you for the next step that's right for YOU!

Why choose P.I.T. for your Computer Science degree?

1. Experienced Instructors

Our instructors either come from a real world background or still hold positions in the health care field. They share their working knowledge to better prepare our students to enter the workplace.

2. Intimate learning environment and family atmosphere

Our instructors know each student on a first name basis. Smaller class sizes allow us to focus on each student's individual strengths and areas in need of improvement.

3. Learn at your own pace! – E-Learning at P.I.T

A number of courses are blended learning, enabling students to spend less time in class and more time learning. You meet once a week with the instructor and the rest of the time interacting with your instructor over the Internet.

4. Free tutoring

Scheduled tutoring from both instructors and honor students is available to ALL P.I.T. students, free of charge!

5. Portfolio Building and Interview Coaching

The value of a P.I.T. education extends beyond the classroom! Our instructors work hard to prepare graduates through portfolio building and interview coaching.
