

Health Care Management

Be a Partner in One of the Fastest Growing Health Care Professions!

Achieve your goals fast and efficiently. In only eighteen months, you can earn your associates degree with our *NEW* term schedule!

What is the Health Care Management Program?

P.I.T.'s Health Care Management is an innovative approach to provide students with fundamental skills in management, business, health care information, anatomy and physiology, health care law and ethics, medical billing and coding and insurance and reimbursement – all essential functions required to be a successful health care manager.

Be the force behind a well-run healthcare facility!

Why is the program beneficial to me?

The Health Care Management program at P.I.T. prepares students for entry-level jobs in the management of health care organizations. Graduates find careers in:

- Hospitals and health systems
- Urgent and emergency care centers
- Insurance industry
- Managed care facilities
- Medical group practices
- Outpatient centers
- Home health care agencies
- Physician's offices
- Long-term care facilities

Where can I go after P.I.T.?

In addition to being prepared for immediate employment, P.I.T. has transfer agreements with a number of colleges and universities in the area. These agreements enable you to transfer your college credits earned at P.I.T. and complete a bachelor degree at one of these educational partners, or at any accredited college or university. P.I.T. will prepare you for the next step that's right for YOU!

Why choose P.I.T. for your Health Care Management degree?

1. Experienced Instructors

The College's Health Care Management instructors either come from a real world background or still hold nursing or physical therapy positions. They share their working knowledge to better prepare our students to enter the workplace.

2. Intimate learning environment and family atmosphere

Our instructors know each student on a first name basis. Smaller class sizes allow us to focus on each student's individual strengths and areas in need of improvement.

3. Learn at your own pace! – E-Learning at P.I.T

A number of courses are blended learning, enabling students to spend less time in class and more time learning. You meet once a week with the instructor and the rest of the time interacting with your instructor over the Internet.

4. Free tutoring

Scheduled tutoring from both instructors and honor students is available to ALL P.I.T. students, free of charge!

5. Portfolio Building and Interview Coaching

The value of a P.I.T. education extends beyond the classroom! Our instructors work hard to prepare graduates through portfolio building and interview coaching.
