Pennsylvania Institute of Technology (P.I.T.)

Vaccination Requirements

P.I.T. does not require faculty or staff to submit verification of vaccination. Certain academic programs require students to submit proof of vaccination to participate in extern or clinical site experiences. Those programs have identified their vaccination requirements in their respective student handbooks, which are linked here:

Medical Assisting

- MMR (Measles, Mumps, Rubella)
- Varicella titer or proof of two doses
- Hepatitis B titer or 3 doses of vaccine or 2 of Heplisav
- Tetanus shot
- Flu shot
- Proof of negative Tuberculosis.

Diagnostic Medical Sonography

- Vaccination/Booster(s)of measles, mumps, rubella, Booster if the titer is non-reactive/non-immune with a repeat titer to verify immunity.
- Varicella, Booster if the titer is non-reactive/non-immune with a repeat titer to verify immunity.
- Covid 19
- Tetanus-diphtheria booster vaccination with the last 10 years.
- Tuberculosis screening (Must be completed in the same year as admission to the DMS Program).
- Hepatitis B vaccination series of three (3) doses completed or in progress.
- Seasonal influenza vaccine is required annually.

Practical Nursing

- Mumps, rubella, rubeola titers showing immunity
- Varicella titers showing immunity
- Booster vaccination(s) of mumps, rubella, rubeola, and/or varicella if titer non-reactive/non-immune with a repeat titer to verify immunity
- Tetanus-diphtheria (TdaP) booster vaccination within the last 10 years
- Tuberculosis screening one step OR QuantiFERON blood test: negative results within 12 months. Please note: if positive results must provide Chest X-ray result done within last 5 years showing no active TB with an annual doctors note.
- Hepatitis B vaccination series of three (3) doses completed OR in progress
- Seasonal Flu vaccine
- COVID-19 vaccine is required per CDC guidelines to be considered “fully vaccinated”
