Allied Health Clinical Medical Assistant

Earn 4 National Certifications within our Clinical Medical Assistant Program!

If you enjoy helping others, then you'll thrive as a CMA!

What is the Allied Health Clinical Medical Assistant Program?

Do you enjoy helping others? Do you feel good when others ask for your guidance, care, and assistance? Would you like to work with other professionals who are providing health care to patients?

If you answered YES to these questions, this degree program is for YOU! Our graduates are prepared for direct patient care positions by working side by side with a physician or other healthcare professionals. Additionally, this degree program equips students for CAREER ADVANCEMENT by including courses in communications, biology, chemistry, mathematics, computer applications, humanities, and the social sciences.

Why is the program beneficial to me?

By continuing in Allied Health associate degree courses for four terms, you will graduate with your associate degree in Allied Health Clinical Medical Assistant!

Our Allied Health Clinical Medical Assistant degree provides classroom instruction and clinical education, preparing you to complete the national certification examinations for Phlebotomy, EKG Technician, Patient-Care Technician and Certified Clinical Medical Assistant. After earning your degree, you are prepared to start work immediately or transfer into a bachelor's degree program!

Job Market

- Doctors' Offices
- Multi-doctor practices
- Home Healthcare
- EKG Testing Facilities
- Surgical Centers
- Urgent Care Clinics
- Medical Laboratories
- And More!

Go Further, Faster.

In addition to being prepared for an immediate career, P.I.T. has transfer agreements with a number of colleges and universities in the area. These agreements enable you to transfer your college credits earned at P.I.T. or apply them toward a bachelor's degree offered at P.I.T. to continue your education successfully. P.I.T. will prepare you for the next step that's right for YOU!
