

Allied Health Practical Nursing

Make a REAL Difference in others lives.

If you love helping others and you look forward to new challenges every day, then you'll thrive as a Licensed Practical Nurse!

What is the Allied Health Practical Nursing Degree?

No matter the healthcare setting, chances are, you've been cared for by a Licensed Practical Nurse. Practical nurses work with doctors and Registered Nurses to provide individualized nursing care.

The Allied Health-Practical Nursing program will help you begin your nursing career, as you study in highly personalized classes, led by experienced nursing professionals.

Why is the program beneficial to me?

Begin your nursing career well prepared with a degree that combines our career certificate program in Practical Nursing with our Allied Health associate degree program. This degree provides general education courses in science, mathematics, English, humanities, and social sciences. It increases your chances to progress within the workplace and advantages in transferring to further your education.

Job Market

- Hospitals
- Doctors' Offices
- Home Healthcare
- Hospice Healthcare
- Assist with health care education
- And more!

Go Further, Faster.

In addition to being prepared for an immediate career, P.I.T. has transfer agreements with a number of colleges and universities in the area. These agreements enable you to transfer your college credits earned at P.I.T. or apply them toward a bachelor's degree offered at P.I.T. to continue your education successfully. P.I.T. will prepare you for the next step that's right for YOU!

Take your nursing education to the next level with a degree in Allied Health Practical Nursing. Receive an exceptional education and training to successfully pass the NCLEX exam to become a Licensed Practical Nurse (LPN). Students pursuing an A.S. Degree in AHT can expect maximum opportunities for health care professionals in Practical Nursing by continuing their collegiate education. The A.S. in AHT Degree provides students with additional knowledge, skills, attitudes, and values that will enhance their career mobility in the health care setting. This degree also prepares students to pursue further education at the bachelor's degree level.

Corey Dennis,
Director of Nursing
