# Business Administration, A.S.

Build your business fundamentals.

With this A.S. degree in Business Administration, you can gain the knowledge needed to have a higher earning potential, better job security and opportunity, as well as advancement.

## What is the Business Administration A.S. Degree Program?

With an Associate of Science degree in Business Administration, you will become proficient in key business administration skills, such as business management, marketing, macroeconomics, accounting and finance, law, team building and conflict resolution, operations management, and more. This degree will allow a student to either enter the workforce, or continue on to our new Bachelor of Science degree in Business Administration!

## Why is the program beneficial to me?

This versatile curriculum helps students establish a well-rounded skillset that can serve as a solid foundation on which to build a business career. It's up to you to decide how you choose to apply this practical knowledge in the business world.

## Job Market

- Sales Manager
- Supply Chain Manager
- Information Security Analyst
- Market Research Analyst
- General Manager
- Executive Assistant
- Financial Manager
- And More!

## Go Further, Faster.

In addition to being prepared for an immediate career, P.I.T. has transfer agreements with a number of colleges and universities in the area. These agreements enable you to transfer your college credits earned at P.I.T. or apply them toward a bachelor's degree offered at P.I.T. to continue your education successfully. P.I.T. will prepare you for the next step that's right for YOU!
